There's no one like Spartan Signature Catering to fix something special for your group, and it's going to save you a bundle!

To help the limited budgets of student groups such as yours, this guide was developed with your needs in mind. The policies and procedures below must be adhered to in exchange for the discount pricing. Remember, advanced planning increases your options and our flexibility.

1. HERE'S THE DEAL.

The discounted pricing is a limited menu served on paper only. Spartan Signature Catering does not provide delivery, service or cleanup of any event. These tasks are the responsibilities of the sponsoring organization.

2. CALL US.

All orders are to be placed at least 48 hours before the event. Please call 517-355-3495 or visit us in person on the second floor of the MSU Union to place your order.

3. PAY UP.

All orders must be billed to a valid Registered Student Organization account.

4. WHERE DO I SCORE?

All food and beverage is picked up in the MSU Union Catering Kitchen between 7:00 am and 7:00 pm, seven days a week. Pickup time will be determined when placing your order.

5. CLEAN UP YOUR MESS.

All organizations are responsible for the cleanup of the areas where their event is held. Events not cleaned up in the MSU Union will result in a cleaning fee charged to the Student Organization.

6. RULES, RULES, RULES.

Catering events requiring the use of equipment with food or beverage service will receive the use of the equipment free for the first 24 hours. Additional fees may be charged if the equipment is returned after the initial 24-hour period. The replacement cost of any broken or missing equipment will be charged to the Student Organization. Should it be determined at any time before or after your event that your group does not meet the established criteria of a Registered Student Organization, full a la carte pricing will be charged directly to your organization's account. This determination will be at the sole discretion of Spartan Signature Catering, and Spartan Signature Catering's determination will be final.

7. BACK AT YA.

Equipment should be returned to the Catering Kitchen, on the second floor of the Union, on the day following the event between 7:00 am and 7:00 pm. Drop-off time will be determined when placing your order.

8. NO FOOD, NO EQUIPMENT.

No equipment will be loaned without the accompaniment of food or beverage service.

9. HEY, THINGS HAPPEN.

Any cancellation must be made at least 24 hours prior to pickup time. Any costs incurred due to cancellation after the deadlines will be passed on to the Student Organization or department.
